

# Procedure to allow "pop-up" in www.jpmorganam.com.hk and J.P. Morgan eTrading site (Microsoft Internet Explorer)

The screenshot shows a Microsoft Internet Explorer browser window displaying the J.P. Morgan Asset Management website. A yellow bar at the top of the page reads "Pop-up blocked. To see this pop-up or additional options click here...". A blue callout box with a black border is overlaid on the page, containing the text "Step 1: Right-click this yellow bar." with an arrow pointing to the yellow bar. The website content includes a navigation menu, a main banner with a line graph titled "When will the markets finally reach bottom?", a "News & Views" section with articles on Global Emerging Markets, Taiwan Market Update, and FOMC Rate Cut, and a "Top 5 Funds" table.
